Learner information

About the courses

Every year Islington Council offers many free adult and community learning courses.

Who are the courses for?

Council courses are free for Islington residents or parents with children in Islington schools. You must be 19 or over, unemployed, or low waged and receiving benefits to qualify.

Advice, guidance and progression

As part of your course you will receive ongoing support to help you achieve your learning goals. We will also help you to explore opportunities for further training and education or how to move into paid or voluntary work.

Islington Council enrolment days

Wednesday 19 and Thursday 20 April 2017 from 9.30am to 4pm at any of these main learning centres:

- Arsenal Learning Centre, The Arsenal Hub, 56 Benwell Road, N7 7BA. 020 7704 4500
- 3Corners Learning Centre Northampton Road, EC1R 0HU. 020 7527 5083
- First Steps Learning Centre 2 Fieldway Crescent, N5 1PF. 020 7527 7002

Missed the enrolment days?

If you miss the enrolment days please contact 3Corners Learning Centre on **020 7527 5083** or Arsenal Learning Centre on **020 7704 4500**.

What do I need to bring to enrolment?

Please bring the following documents with you to enrol:

- a) Proof of identity, for example a driving licence, birth certificate, passport or EU identity card. **AND**
- b) A letter to show that you are in receipt of benefits, for example JSA, Universal Credit, Working Tax Credit, Housing Benefit or Child Tax Credit.

Learner information

Adult and Community Learning qualifications and levels

You can study at different levels according to your previous experience and qualifications.

All Levels	No entry requirements and suitable for all levels from entry to Level 2. These courses do not have exams.	Course examples include: <ul style="list-style-type: none"> Drop-in Employment Support Drop-in ICT Family Learning
Level 2	Level 2 courses build on skills already developed to add to learner's knowledge in the subject. Many employers require Level 2 certificates in English and Maths.	Course examples include: <ul style="list-style-type: none"> L2 English, Maths or Computer Skills
Level 1	Learning at this level includes activities and skills needed on a day-to-day basis in the subject area. Some courses at this level offer progression to Level 2. Many jobs will expect workers to be competent to at least Level 1.	Course examples include: <ul style="list-style-type: none"> L1 English, Maths or Computer Skills L1 Customer Service L1 Working with Children
Entry	In Maths, English and ESOL courses entry levels are divided into three levels – Entry 1, Entry 2 and Entry 3. Entry Level courses in other subjects develop basic knowledge, skills and the ability to apply learning in everyday situations.	Course examples include: <ul style="list-style-type: none"> Computers for Beginners and Improvers ESOL Courses Family Learning

iWork

iWork is Islington Council's new exciting employment coaching service based at 222 Upper Street where coaches offer 1-2-1 intensive and personalised support to help unemployed Islington residents into work. You can pop into 222 to make an appointment or call **020 7527 2706** or email iwork@islington.gov.uk.

City and Islington College

Through outstanding education, training and support, we will help you to achieve your ambition, whether you want to progress to a higher level course or into work. We offer qualifications including Access to Higher Education, Apprenticeships, Higher Education, English and Maths, and ESOL/EFL. Our vocational courses cover a range of subjects, including Accounting, Applied Sciences, Art and Design, Business, Hair and Beauty, Health and Social Care, and the Professional Services.

To find out more, see candi.ac.uk/adults or contact us on **020 7700 9200** or courseinfo@candi.ac.uk

Computer Skills

Need to know more about computers, the Internet, or email? Do you want to get ready to gain a qualification in IT? Enrol onto one of our computer courses, such as Computers for Beginners or something more advanced like Word Processing for Work & Everyday Use or Create Your Own Business Cards. You can even have a go at testing your own IT skills beforehand. Either way, take a step into our supportive and friendly environment.

Maths, English, ESOL Assessments

Maths

Do you want to brush up on your maths skills, feel more confident managing your money or helping your children, as well as improving your own employment prospects? We offer a range of different level courses - from complete beginners to Level 2 that allow you to improve your maths skills, work with money, calculate measurements, create graphs and more. If you are looking to get a job or start a new career but need to develop your Maths skills, then sign up to one of our courses.

English

If you want to improve your skills in English and increase your employment prospects, we have a range of courses to help you. We have lots of English courses at different venues across Islington. These include courses to develop your writing, reading, grammar, spelling, speaking and

listening skills from complete beginners to Level 2.

ESOL

Would you like to improve your ability to read, write, speak and listen in English? If English is not your main language, you can join any ESOL course in Islington. ESOL courses are available at all levels - from complete beginners to Entry level 3. Citizenship topics are included in most courses. In class you can practise skills to help you talk with more confidence and use basic English in everyday life, for example at the shops, in schools, at the doctor or for work.

To join any of our Maths, English or ESOL courses first come along to a free assessment session where friendly tutors will check your level, and advise which course is right for you.

Family Learning

Family Learning gives the chance to learn new skills whilst helping your children to learn in a fun and friendly way.

Do you want to develop your own skills? Do you need help to support your children's learning? Are you looking to meet new people and support your child's development?

The Family Learning team offers programmes to develop parents' ICT, language and maths skills, as well as programmes to help parents understand how to support their child's education.
