

Study Support and Drop-In Sessions

ICT

Course Information

Who is the session for?

Anyone who wants additional help with other ICT courses they are attending and those who would like ICT support but are not currently attending a specific course. These sessions are drop-ins, so you are not expected to attend every session or to stay for the duration.

How long is the session?

The sessions are usually 10 weeks long and take place in different venues. Each session lasts 2¹/₂-3 hours depending on the venue. See flyer for more information.

What skills, knowledge or experience do I need to start this session?

Basic literacy skills.

What will the session cover and what should I be able to do by the end of it?

The content will depend on what you want to learn.

Will I get a qualification?

No, although it can help you with any other qualification you are studying towards.

What extra study or practice is expected outside of the class?

None.

How will my progress be assessed?

Learning diaries, questions and answers, marking of completed work.

What can I expect to go on to after this course?

Any ICT or vocational skills courses that interest you.

Are there any costs and what do I need to bring?

The course is free.

What support is available?

You will receive one to one support from the tutors throughout the course. We will also talk to you about any other support needs you may have.
